Artist Vendor Application 2024

Important details to note:

- Art in the Park is a celebration of Art and Culture. It is expected that all artist who submit applications are hand making unique one-of-a-kind pieces. For example, art pieces are not to be made from commercial kits, at paint nights or as copies/forges of other artists' work. Prints of the submitting artist's original work are permitted.
- As we continue to prioritize diversity, equity, and inclusion at our events, we would like to make note of the harmful impacts of cultural appropriation. All artists are to be respectful of other cultures and copyright law. Artwork that constitutes cultural appropriation will not be accepted. If at the event, items of such are found, they will need to be removed from the exhibit or the artist will be asked to leave the event in full. This may also impact eligibility for future participation.
- Along with this completed application, all artists are to submit 10 high resolution images that are samples of their artwork. **These samples are to be reflective of the work intended to be for sale/on display at the event.**
- All exhibit spaces are outdoors. The event will be rain or shine so please come prepared for whatever weather conditions we may encounter. Tent weights are highly recommended. Refunds will not be issued due to rain.
- All exhibit spaces are 10x10', accessible by the front of the tent. Artists are to provide their own tents, tent weights, tables, chairs, hanging walls and anything else required for their displays.
- Exhibit spaces with access to power will be limited and will be provided on a first come first serve basis. Providing a location preference prior to the event will not be possible if power is required.
- 6' Tables may be rented upon application, not on the day of the event.
- Artists may request more than one exhibit space; however, no exhibit space can be shared.
- A submitted application does not guarantee acceptance. Once applications are received, they will be reviewed, and the vendor will be contacted regarding application status.
- Accepted vendors will receive a contract for signing upon acceptance. The contract will contain additional information including set-up times.
- There is NO EXCLUSIVITY at Art in the Park. Our best efforts will be made to distance similar works from each other, but this is not guaranteed and is at the discretion of event organizers.
- Accepted artists will obtain a vendor layout prior to the event. You can provide your preference of location at that time (only applicable to vendors not requesting power). No locations are guaranteed but we'll do our best to take your preferences into consideration.

To apply, e-mail the following items to sarah.farrant@townofws.ca

- 1) Fully completed vendor Application Form.
- 2) 10 high resolution images sampling the artwork that will be showcased at the event.

All applications will be reviewed by the Town. Upon acceptance, you will receive a contract and a waiver. The contract and waiver must be signed and returned, at which time vendor payment will be processed.
