Please Help Us Reduce Blue Box Contamination

Please keep plastic bags,
Styrofoam packaging,
black plastic, take-out
coffee/drink cups,
straws and plastic utensils
out of the blue box.

Recyclables should be
rinsed and all food
removed from containers.

To the
curb by

**7:00
am**

Helpful Reminders for Recycling on Windy Days

- Place heavier items such as books and magazines on top of the lighter items. Bundle cardboard, newspapers and magazines separately. These bundles can act as a 'lid' for your blue box.
- Do not place non-recyclable material in your blue bins such as plastic bags, Styrofoam or disposable coffee/take-out cups. These items should go in the garbage.
- Do not overfill your blue box, keep material below the rim to prevent the wind from catching it and blowing it out of the bin. There is no limit to the number of blue boxes put out for weekly collection. Additional bins can be purchased through our website at townofws.ca.
- Do not stack blue boxes. If the wind is strong enough it will blow these bins over, causing recyclables to spill all over the street.
- Do not place bins on top of snowbanks. Not only does this create a health and safety issue for collection crews as they may slip and fall while retrieving the bins, the bins are at greater risk of blowing over and material falling out. Bins should be placed at edge of curb on the driveway, never on the road.
- Remove all empty blue and green bins from the curb after collection as soon as possible. Lost bins will not be replaced.

The Town of Whitchurch-Stouffville reminds residents to please do their part in helping to keep our community litter-free. Thank you for your co-operation!

Household Battery Recycling Program

Residents are now able to drop-off their used and unwanted household batteries in the bins provided at the following facilities:

- Stouffville Arena, 12483 Ninth Line
- Stouffville Clippers Complex, 120 Weldon Road
- Whitchurch-Stouffville Leisure Centre, 2 Park Drive

Batteries are considered hazardous waste and are not accepted with regular waste collection. Please drop-off your batteries to be recycled.

HOW TO PREPARE YOUR BATTERIES FOR RECYCLING

It is important that batteries be prevented from short circuiting

Lithium

Button Cell

Rechargeable

6 & 9 Volt

Step 1: Round up your used batteries.

Step 2: To avoid the possibility of a short circuit, use masking tape to cover the terminal ends of all lithium, button cell, 6 & 9 volt batteries. See examples above.

Step 3: Place batteries inside THE BATTERY RECYCLING CONTAINER.

Storage bags can be picked up at the Municipal Offices (111 Sandiford Drive) or the Leisure Centre and Library (2 Park Drive).

For additional information visit townofws.ca.

Curbside Collection Reminders

Place garbage, green bins, blue boxes and yard waste at the curb by **7 a.m. on your scheduled day, but not earlier than 5 p.m. the night before.** Please do not leave empty bins and uncollected material at the curb after your collection day. There is a maximum three (3) bag limit every two weeks. Additional bags will also be collected provided a "Garbage Bag Tag" is affixed to each bag. Tags may be purchased **for cash only at stores** for a cost of \$2 (including HST) each at the following locations:

- Stouffville – B.J.'s Gift & Variety, 6416 Main Street
- Stouffville – Well-Plus Pharmacy, 5402 Main Street
- Musselman's Lake – Sunny's Variety, 14635 Ninth Line
- Vandorf – Petro-Canada Station (Wesley Corners), 15288 Woodbine Avenue

Acceptable Containers for Garbage

Plastic cans

- Must have open handle(s) and a secure removable lid
- No metal cans
- Do not use ties/bungee cords
- Maximum 125 litres (4.4 cu ft)
- Maximum weight 23 kg (50 lbs)
- Loose items must be contained in bags within the can
- Cans must not be overflowing

Plastic bags

- Must be securely tied
- No loose grocery/kitchen catcher bags
- Do not place sharp objects inside bags. Place these materials in a separate, sealed and labeled cardboard box
- Maximum weight 23 kg (50 lbs)
- **Broken Glass should be put out for collection in a sealed cardboard box and clearly marked as to its contents**

The Town of Whitchurch-Stouffville is not responsible for lost or stolen bins or for non-approved containers being collected or returned after collection.

MOVING?
Please leave blue and green bins behind. New bins will be provided for your new house.

Approved Recycling Containers:

Town issued blue boxes, 65 cm (26 inches) in length, 50 cm (20 inches) in width and 50 cm (20 inches) in height. Only town issued green bins will be accepted for collection.

Magazines, newspapers, cardboard and other paper tied securely in bundles:

90 cm x 90 cm x 30 cm (36 x 36 x 12 inches). Cardboard boxes are not acceptable containers for garbage or recycling material and will not be collected.

Approved Garbage Containers:

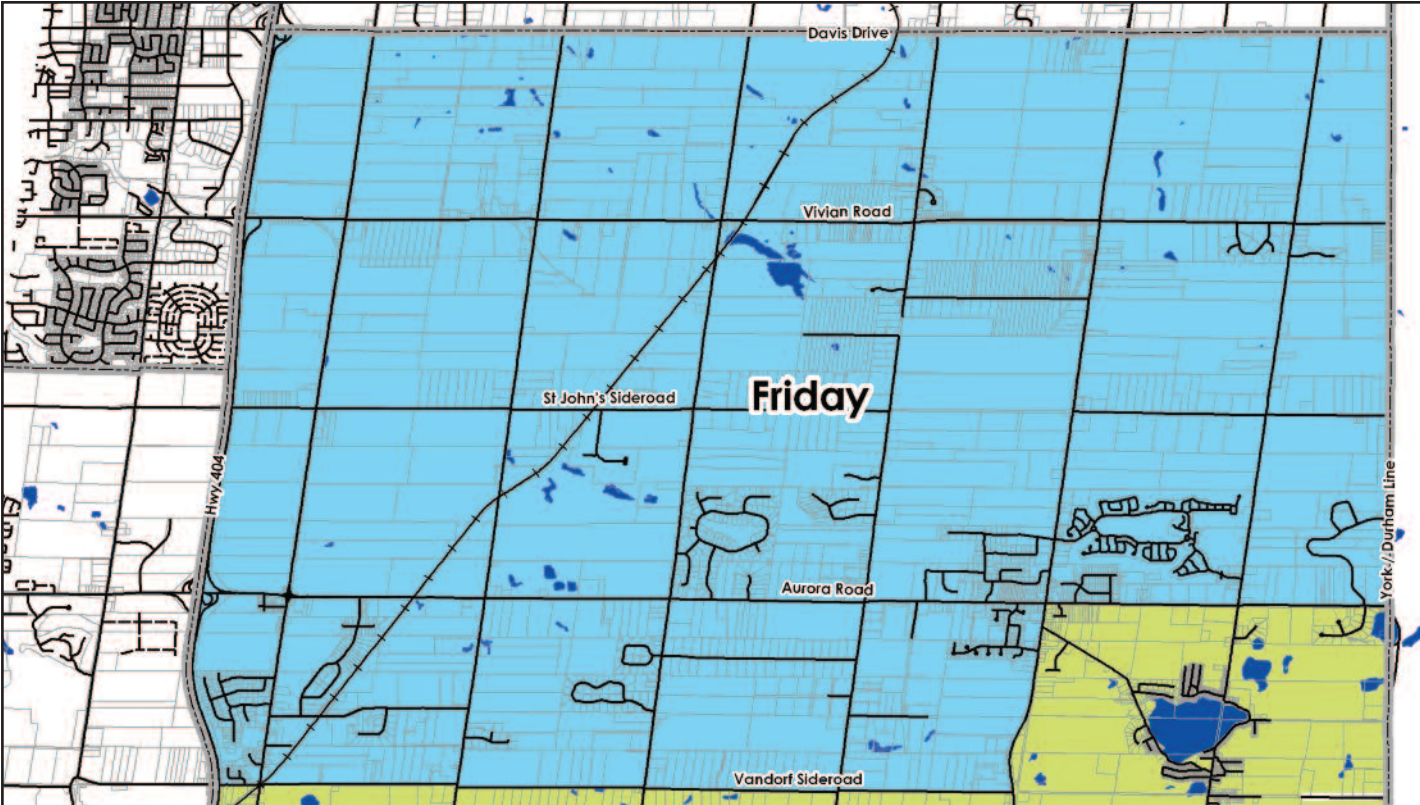

Maximum Size: 90 cm H x 50 cm diameter (125 litres, 4.4 cu. ft.) Total Weight: 23 kg (50 lbs)

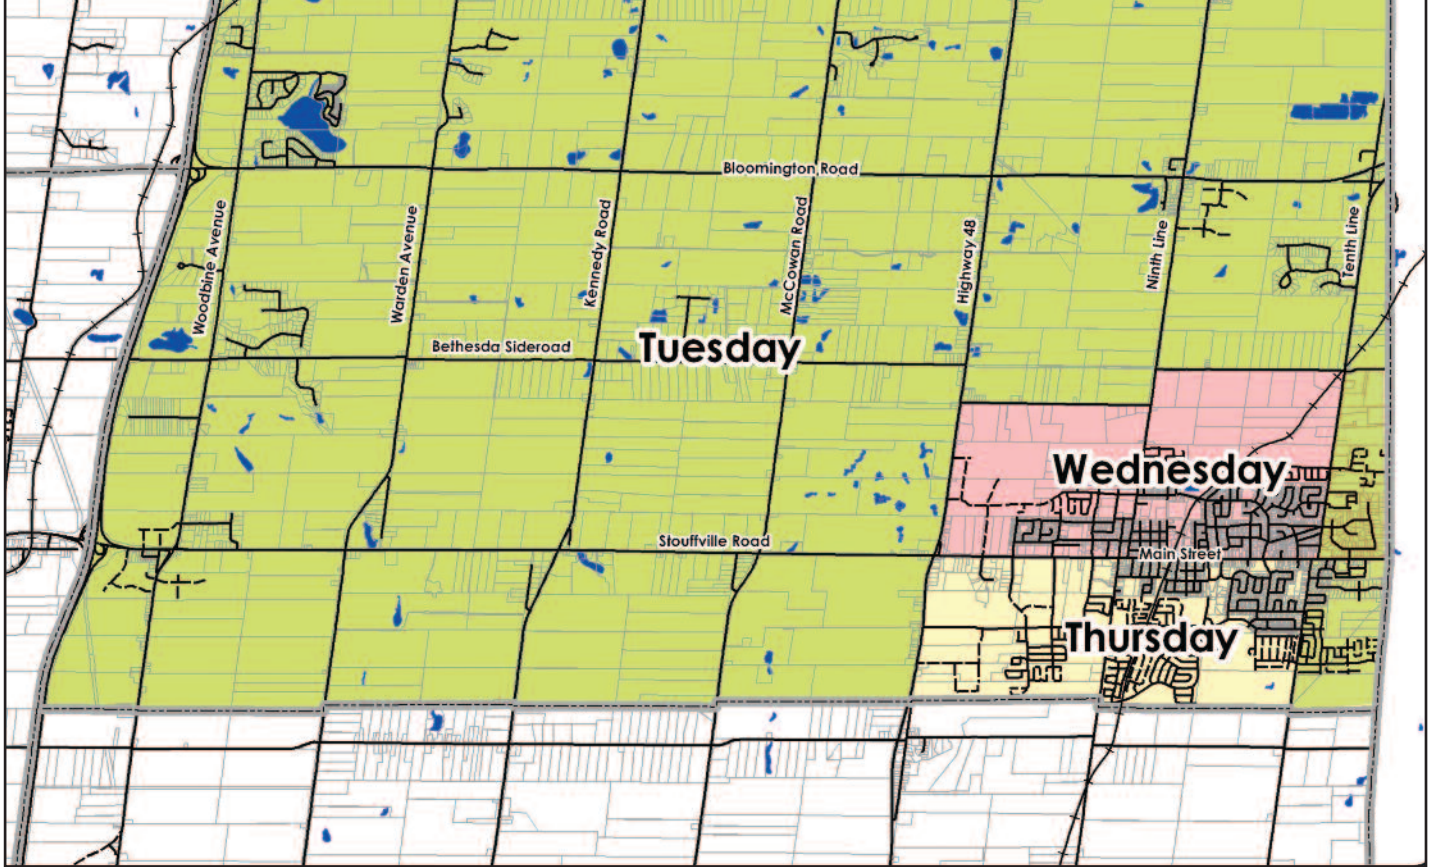

Additional blue boxes and green bins can be purchased from the Town's website at townofws.ca. All bins will be delivered the following week on your collection day.

Broken Bins? Call 1-866-421-5625 for an exchange.

Note: Collection crews will not collect containers which do not comply with the dimensions noted above and in accordance with the Town of Whitchurch-Stouffville's Waste Collection By-law.

Collection Zone Map

Georgina Transfer Station

23068 Warden Avenue, Town of Georgina

Hours of Operation

Transfer Station

Monday through Saturday 8 a.m. to 5 p.m.
Sunday Closed

Household Hazardous Waste Depot

Get to know your depot before you go.

Find tips to pack your vehicle, what's accepted and limits that may apply.

york.ca/wastedepots

Waste depots are for York Region residents only. Proof of residency required. Fees and hours subject to change without notice. All depots closed civic and statutory holidays.

For more information on fees and limits, please visit

york.ca/wastedepots
or call 1-866-665-6752

OOPS!

Missed collections are upsetting, but there is usually a reason why material was not collected as expected.

In order for your materials to be collected, please ensure they are:

- In acceptable containers, recyclables will NOT be collected in plastic bags or cardboard boxes. Please do not cover the container with a net or lid. Please see page 1 for approved container sizes.
- Out by 7 a.m.
- Within the weight limit of 23 kg (50 lbs)
- Not hidden behind a vehicle, snow bank, or other obstruction
- Free of prohibited content (e.g. hazardous or construction/renovation waste/medical waste)
- Lids of green bins should be closed and locked. Green bins with materials overflowing will not be collected. Additional bins can be purchased from the Town's website at townofws.ca.

keep plastic bags out of bins

TO THE CURB BY 7 A.M.

Other reasons for missed collections are:

- **Non-recyclable item in Blue Box, including Styrofoam takeout trays/containers, plastic bags/film plastic (including plastic around water/pop cases). Please ensure the plastic is removed from these items. Please ensure plastic bags are also removed from newspapers**
- **Recyclables were not rinsed. Containers that have food/liquid residue left in them attract animals and bees/wasps and pose a health and safety risk to drivers. Please rinse all food and beverage containers before placing in your blue box**
- **Plastic bags in the green bin, all items must be placed in compostable bags**
- **Grass clippings were found in yard waste bags/containers**
- **Items were placed too far away from curb/shoulder or exceeds bag/container limit**
- **Cardboard was not bundled or bundles were too large. Loose cardboard should be bundled no larger than 90 cm x 90 cm x 30 cm (36" x 36" x 12")**
- **Furnace filters are not recyclable**
- **Loose items in garbage can, all material must be contained in bags within the can.**
- **Blue box was too large, blue box recycling materials will be collected only in a proper Town approved blue box. Please see page 1 for proper container sizes. The overall weight, size and durability of these containers prevent safe and effective collection**
- **Shredded paper is only collected in the green bin, blue boxes containing shredded paper will not be collected**
- **Electronic Waste must be recycled. Please take these items to one of the Region's Electronic Recycling Depots listed on Page 3 or to one of the Town's Electronic Recycling Events held in May and October. Electronic Waste can also be dropped off at The Care and Share Thrift Shop, 33 Ringwood Drive, Stouffville.**

If an item is not collected for reasons other than the above, please call 1-866-421-5625.

Tips for a Problem Free Collection!

Please see
page 1 for approved
container sizes.

Styrofoam (including meat trays and takeout containers) are not recyclable. Please remove these items and place in the garbage.

Please do not put recyclables in cardboard boxes. This poses a safety hazard for collection staff as cardboard boxes are not very sturdy especially after sitting out in the rain and snow. All recyclable material should be in a Town issued blue box and cardboard should be flattened and bundled no larger than 90 cm x 90 cm x 30 cm (36" x 36" x 12").

Please remove all bungee cords before setting green bin out for collection.

Please remove all film plastic wrapping and plastic bags. This includes the plastic bags that the newspaper arrives in.

Please do not throw large piles of material at the curb. This is dangerous for collectors. Please ensure all material is bagged properly and bulk items are set neatly beside them. Tags for additional bags can be purchased at the locations stated on page 1 of this calendar.

 Garbage Collection Week
BI-WEEKLY on your regular day.

 Christmas Tree Pick Up
January 11-14, 2022

Green Bin and Blue Box are collected WEEKLY.

What Goes in the Green Bin?

Food and Food Scraps

If you can eat it, it goes in the Green Bin. Meat and fish bones and shells, fat, grease and lard (solidified), small amounts of cooking oil, fruits and vegetables, baking supplies, dairy products, egg shells, coffee filters/grounds and tea bags, corn cobs/husks and nuts/shells.

Soiled or Shredded Paper

Shredded paper may be placed in the Green Bin in small amounts. Other paper products that go in the Green Bin include: butcher and cheese paper (non-waxed), microwave popcorn bags, flour and sugar bags, muffin paper, soiled paper plates, paper towels and tissues, paper serviettes, and any non-waxed paper or cardboard that contains food residue (sauce, cheese, etc.). NO waxed paper.

Personal Care Items

Diapers, hair, nail clippings, sanitary products, tampons, incontinence products, tissues.

Pet Products

Animal bedding, pet waste, kitty litter, bird seed, pet food, pet fur, feathers and sawdust (wood sources only).

Houseplants and Flowers

In small quantities only, no yard waste

Green Bin Tip: Only certified compostable bags or paper-based bags break down completely during the composting process. Look for this logo on the packaging to be sure you are purchasing the best product for the environment. Biodegradable bags break down into smaller pieces of plastic that will not decompose and will become a contaminant in the finished compost.

Only Town issued green bins will be accepted for collection.

Do NOT place yard waste in the Green Bin

Important!

All organic material, such as food waste, must be contained in compostable bags that are securely closed or tied in the green bin. Bags placed on top of the bin will not be collected.

There are two options:

Option #1: Recommended

Line your small kitchen container with a compostable bag. Fill your kitchen container with organics. Transfer your tied organic-filled bag into your Green Bin. Place your Green Bin at the curb on your collection day.

or

Option #2:

Line your Green Bin with a compostable bag. Fill your small kitchen container with organics (no bag). Empty the loose organic material from your small kitchen container into your lined Green Bin. Tie your Green Bin liner closed. Place your Green Bin at the curb on your collection day. Please do not double bag materials.

 Garbage Collection Week
BI-WEEKLY on your regular day.

To the curb by
7:00 am

Green Bin and Blue Box are collected WEEKLY.

Yard Waste

Yard Waste is collected **ON YOUR REGULAR COLLECTION DAY EVERY SECOND WEEK** starting in April, as noted throughout this calendar (there are some exceptions due to statutory holidays).

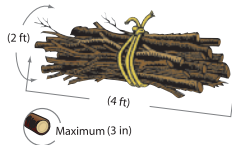

There is no limit on the amount of yard waste that can be placed for collection, providing that acceptable bags and/or containers are used.

Acceptable Containers:

Place weeds, plant trimmings and leaves in paper yard waste bags or an open-top garbage can labelled "Yard Waste" (stickers available from the Municipal Offices). Blue boxes are for recycling material only and will not be accepted for yard waste collection.

NO plastic bags please!

Bundle branches as shown.
Use twine only, no ropes please.

These items should NOT be placed with Yard Waste:

Kitchen scraps, **grass clippings**, rocks, dirt, sod, tree stumps, larger branches, flower pots/trays, painted or treated wood and animal droppings.

Please do not place yard waste bags at the curb before collection day. Bags left outdoors in the elements deteriorate very quickly and can cause problems for collection crews by ripping and falling apart. Crews are not responsible for collecting ripped or torn bags.

**NO BLUE BOXES OR
CARDBOARD BOXES**

Grass clippings
are not collected
curbside.

Relax
AND
Enjoy

Imagine how it feels to be surrounded by trees and forests – the cool shade, the aromatic smell, the feeling of escaping time as you connect with nature. Now imagine always having that at your fingertips.

If you own property in York Region, we can help you rekindle your connection with nature by planting a tree or forest on your property.

Tree-planting programs include:

- Low-cost backyard do-it-yourself and full-service planting
- Full-service, large-scale planning and planting
- Do-it-yourself bulk seedlings

Discover how easy tree-planting can be.
york.ca/treplanting

Love
YOUR
YARD

Planning to beautify your yard? Why not try planting milkweed. Milkweed not only adds colour to your garden; it attracts butterflies, bees and other important pollinators and provides the food and shelter they need.

Choose the best milkweed for your yard:

- Swamp milkweed – grows in wet and moist conditions
- Poke milkweed – best suited for woodland shade gardens
- Butterfly or orange milkweed – ideal for normal-to-drought tolerant gardens
- Common milkweed – suitable for normal to moist gardens

Explore ways to show your yard (and pollinators!) some love.
york.ca/loveyouryard

Protect your Trees

Protect your trees from European gypsy moth / *Lymantria dispar dispar* (LDD) this year. Prior to caterpillars hatching in spring, egg masses can be scraped off of trees into a bucket of soapy water and left for a day or two before disposing of them.

If trees are severely infested (many egg masses are visible), an insecticide may be a viable option. Contact a licensed tree care company to discuss the best options.

Always wear gloves when handling caterpillars and egg masses to avoid an allergic reaction.

Learn more about the LDD and how to protect your trees.

FIGHT THE BITE! AGAINST BLACKLEGGED TICKS AND LYME DISEASE

What is Lyme disease?

Symptoms of Lyme disease may include:

- A skin rash
- Fatigue or weakness
- Headache
- Fever or chills
- Dizziness or confusion
- Muscle and joint pain
- Swollen lymph nodes

See your health care provider if you develop symptoms of Lyme disease after a tick bite or after visiting a wooded or brushy area.

Lyme disease is caused by a bacteria called *Borrelia burgdorferi* which is spread through the bite of an infected blacklegged tick.

Protect yourself in wooded or brushy areas

- Wear light-coloured, long-sleeved clothing and closed footwear
- Use insect repellents containing DEET or icaridin
- Walk in the middle of trails
- Shower when you get home
- Check yourself, your family and your pets for ticks
- Remove attached ticks as soon as possible

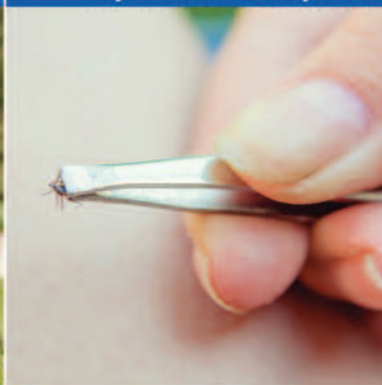

What are blacklegged ticks?

- Ticks are small bugs that feed off the blood of animals and humans
- Adult ticks are the size of a sesame seed and nymphs are the size of a poppy seed
- Ticks are found on tall grasses and bushes in wooded areas
- They can attach and feed up to five days

If you find a tick on you or a family member remove it quickly

1. Grasp the tick with tweezers as close as possible to your skin and pull it straight out
2. Do not put anything on the tick or try to burn it off
3. Disinfect the area with rubbing alcohol
4. Visit etick.ca for **FREE** tick identification

For more information on how you can protect yourself and your family from Lyme disease, call York Region Health Connection at 1-800-361-5653 or visit york.ca/lymedisease

are collected WEEKLY.

Basketball Nets on the Road/Boulevards

Did you know that basketball nets are not permitted on any road or boulevard within the Town of Whitchurch-Stouffville?

These nets are a safety hazard to other residents/vehicles and interfere with Town operations such as waste collection, snow removal and street sweeping.

Please Do Not Place Bins or Garbage on the Road

Green bins, blue boxes and garbage bags/containers should be placed flat on the driveway or boulevard for collection crews to access.

Bins and garbage bags/containers on the road interfere with traffic and road operations such as snow removal and street sweeping.

FIGHT THE BITE! AGAINST WEST NILE VIRUS

What is West Nile virus?

West Nile virus is spread to humans from the bite of an infected mosquito.

How to protect yourself when outdoors

- Wear light-coloured, long-sleeved shirts and pants
- Use insect repellents containing DEET or icaridin
- Cover up at dusk and dawn when mosquitoes are most active

How York Region protects you

York Region's West Nile Virus Program includes larviciding over 100,000 catch basins during the summer and using mosquito traps to capture and test for West Nile virus infected mosquitoes.

Mosquito-proof your home

- Clean up areas of standing water around your home
- Ensure door and window screens are tight-fitting and in good repair
- Clean up pools / pool covers
- Turn over wading pools
- Empty out flower pots
- Clear eavestroughs, storm and roof gutters
- Clean bird baths weekly
- Empty water in old tires

For more information on West Nile virus, call York Region Health Connection at 1-800-361-5653 or visit york.ca/westnile

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
Please have all items to the curb by 7 am on collection day. 	1 Civic Holiday	2 	3 	4 	5 	6
	7	8	9 	10 	11 	12 
14 	15	16 	17 	18 	19 	20
21	22	23 	24 	25 	26 	27 Curbside Giveaway Day Details at townofws.ca
28 	29	30 	31 	Please do not place yard waste bags at the curb before collection day. Bags left outdoors in the elements deteriorate very quickly and can cause problems for collection crews by ripping and falling apart. Crews are not responsible for collecting ripped or torn bags.		

 Garbage Collection Week
BI-WEEKLY on your regular day.

 Yard Waste Collection
- No Grass Clippings

To the curb by
7:00 am

Green Bin and Blue Box
are collected WEEKLY.

What is Household Hazardous Waste?

Household hazardous waste (HHW) is anything in your home that is corrosive, explosive, flammable or poisonous and is no longer needed. It should be brought to a HHW depot where it will be disposed of safely.

Examples of HHW:

- Aerosol cans (full or partially full)
- Batteries
- Cleaning products
- Cosmetics
- Fertilizers
- Fluorescent light bulbs and tubes
- Gasoline (containers may not be returned)
- Glues and adhesives
- Nail polish and polish remover
- Paints (liquid and solid)
- Paint thinner and varnish remover
- Perfume and cologne
- Pesticides, insecticides and herbicides
- Pharmaceuticals
- Propane cylinders/tanks
- Pool chemicals
- Sharps (needles/syringes) must be in puncture proof container
- Used motor oil and filters

Residents can drop off 60L of household hazardous waste and 20 compact fluorescent tubes per household per day.

Waste Depots:

East Gwillimbury HHW and Recycling Depot
225 Garfield Wright Boulevard
Town of East Gwillimbury

Elgin Mills CEC
1124 Elgin Mills Road East
City of Richmond Hill

Georgina Transfer Station
23068 Warden Avenue
Town of Georgina

Markham HHW Depot
Rodick Road
South of Miller Avenue
City of Markham

McCleary Court CEC
130 McCleary Court
City of Vaughan

For more information visit york.ca/waste or call 1-866-665-6752

What is Electronic Waste?

Electronic waste (e-waste) is any electronic equipment in your home that no longer works and cannot be repaired. E-waste should not be thrown in the garbage as these items contain materials considered to be hazardous.

Examples of e-waste:

- Cables
- Cameras and camcorders
- Cell phones, telephones, pagers and fax machines
- Computer towers, laptops, tablets, modems, keyboards and mice
- Game systems
- Monitors, printers, scanners and typewriters
- Televisions
- VCRs, DVD players, radios, stereos, speakers

Maximum 50 kg per household per day. Remove all packaging and batteries. Disassembled electronics will not be accepted.

**PROTECT
YOUR
PIPES!**

**COOL IT.
SCRAPE IT.
GREEN BIN IT.**

Fats, Oils and Grease (FOG) go in your green bin – not down your drain or toilet!

Fats, oils and grease include:

- Butter and margarine, cooking and deep-frying oils, marinades and gravies, meat fats, sauces, shortening and lard, and even salad dressings!

Proper disposal:

- Allow fats, oils and grease to cool
- Use a spatula to wipe or scrape FOG into your green bin
- Drop off oils that do not harden, such as liquid cooking oils, at a York Region waste depot

If not disposed of properly, FOG will cool, harden and clog your pipes or our sewers.

Collection

Green Bin and Blue Box
are collected WEEKLY.

Textile Recycling

Residents of Whitchurch-Stouffville are now able to contribute cloth items and home décor of any kind including clothing, curtains, towels and bed sheets. Gently worn and reusable items are welcome, as well as any clean, dry and odourless items. This includes ripped or damaged textiles and items such as purses or eyeglasses.

Drop-Off Bins

Whitchurch-Stouffville residents are able to re-purpose unwanted clothing, textiles and cloth households items by dropping off items at local Textile Waste Collection bins 24-hours a day.

Drop-off bins are located at the following locations:

- Whitchurch-Stouffville Leisure Centre, 2 Park Drive
- Stouffville Clippers Complex/Stouffville Fire Station, 100 Weldon Road
- Ballantrae Community Centre, 5592 Aurora Road
- Vandorf Park, 14732 Woodbine Avenue

Residents can also schedule an appointment for home collection at declutter.diabetes.ca

Accepted:

The following materials are accepted in any condition (gently used, worn or torn) as long as they are clean, dry and odourless:

- Blankets, bedding, sheets, pillows
- Clothing, jackets and footwear
- Drapery, curtains
- Linens, towels, washcloths
- Purses, hats, belts and ties
- Reading glasses
- Sleeping bags
- Soft toys, sports equipment

Not Accepted:

- Appliances
- Electronics
- Furniture
- Hazardous waste
- Housewares and kitchenware

Yard Waste Collection
(Pumpkin Collection - Nov 1-4)

Green Bin and Blue Box
are collected WEEKLY.

Metal Item Recycling • Bulky Item Pick-up

Large Metal Items

Large metal items such as appliances, barbecues (no propane tanks), bed frames, furnaces, hot water heaters, metal bath tubs, storage sheds and bicycles must be recycled. Call **1-866-421-5625** to arrange for a special curbside collection.

NOTE: For safety, remove doors from fridges, freezers, dishwashers and ovens.

If a special collection is not booked with the contractor, metal items will not be collected. Metal appliances and scrap metal can also be dropped off at select York Region depots (see page 3 for details).

Bulky Item (Large Articles) Pick-Up is limited to four (4) large household items per collection, not extra bags or boxes or large amounts of waste. The Town and GFL reserves the right to refuse collection if the items put out interfere or impact driver safety (i.e. large piles of materials placed curbside) or operations.

Residents are asked to take large amounts of waste to one of the Region's Community Environmental Centres (see page 3). Most items can be recycled.

Furniture, Mattresses, Box Springs, Plastic Lawn Furniture, Toilets, Carpeting, etc.

Items to be placed at curbside for pick-up on your regular garbage collection day. Bundle small loose pieces. Tie carpeting and linoleum in rolls measuring no longer than 1.2 metres (4 ft) and weighing less than 23 kilograms (50 lbs), up to ten (10) rolls per collection. **Toilets must be separated into two pieces (tank/bowl) and drained for collection.** Electronics are not collected curbside. Items containing glass will not be collected unless the glass has been removed. Please see page 7 for broken glass disposal.

Construction & Demolition Waste

Construction and demolition waste is not collected curbside. Please take these materials to one of the York Region Community Environmental Centres. See page 3 for locations and hours of operation or donate good quality materials to a charitable organization, refer to our website at townofws.ca/residents/garbage-recycling-and-composting.asp for a list of local charities near you.

Please help keep your neighbourhood clutter free and do not place metal or bulky items out before your scheduled collection day. This is a By-law violation and could result in a fine.
