What are the Benefits of Volunteering?

1) It's rewarding

Volunteering gives you a chance to discover new things about yourself but also by getting involved where you live you can learn more about your community and its resources.

2) Giving back feels good

As a volunteer you get to be a part of something bigger and work together with other like-minded people in your community towards a common goal and that feels amazing.

3) It's good for your health

Volunteering provides both physical and mental incentives from reduced stress to the mood enhancement you get from seeking out opportunities to help.

4) It can boost your career

You can test the waters for different careers you might be interested in while gaining experience to boost your resume.

Got spare time on your hands?

Top 4 reasons to start volunteering with The Town of Stouffville

1 It's rewarding.

Volunteering not only provides an opportunity to discover new things about yourself but also allows you to become more familiar with your community and its resources by getting involved locally.

2 Giving back feels good.

As a volunteer you get to be a part of something bigger and work together with other like-minded people in your community towards a common goal and that feels amazing.

3 It's good for your health.

Volunteering provides both physical and mental incentives from reduced stress to the mood enhancement you get from seeking out opportunities to help.

4 It can boost your career.

You can test the waters for different careers you might be interested in while gaining experience to boost your resume.

Swimmer 7 & 8: Rookie & Ranger Patrol

Ages 6-12 **$175**

Swimmer 7: Rookie Patrol

Swimmers continue stroke development with 50m swims of front crawl, back crawl and breaststroke. Lifesaving Sport skills include a 25m obstacle swim and 15m object carry. First aid focuses on assessment of conscious victims, contacting EMS and treatment for bleeding. Fitness improves in 350m workouts and 100m timed swims

Swimmer 8: Ranger Patrol

Swimmers develop better strokes over 75m swims of each stroke. They tackle Lifesaving Sport skills in a lifesaving medley, timed object support and rescue with a buoyant aid. First aid focuses on assessment of unconscious victims, treatment of victims in shock and obstructed airway procedures. Skill drills develop a strong lifesaving foundation

Swimmer 9: Star Patrol

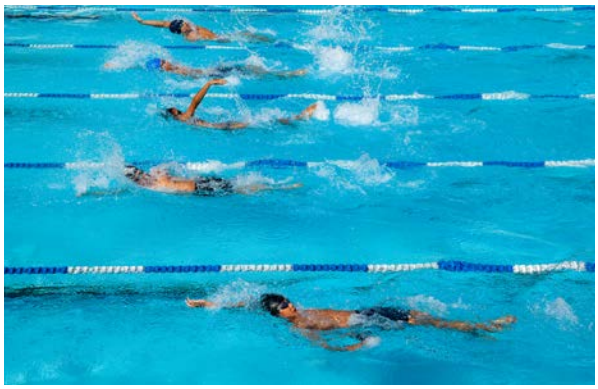

Swimmers are challenged with 600m workouts; 300m timed swims and a 25m object carry. Strokes are refined over 100m swims. First aid focuses on treatment of bone or joint injuries and respiratory emergencies including asthma and allergic reactions. Lifesaving skills include defense methods, victim removals and rolling over and supporting a victim face up in shallow water.

Bronze Star

Develops swimming proficiency, lifesaving skill and personal fitness. Candidates refine their stroke mechanics, learn self-rescue skills, and apply fitness principles in training workouts. Bronze Star is excellent preparation for Bronze Medallion and provides a fun introduction to lifesaving sport.
