1.0 Overview

Ontario Regulation 333/07 made under the *Municipal Act, 2001*, S.O. 2001, c. 25 requires a municipality establishing an Administrative Monetary Penalty System (AMPS) to have a policy for the prevention of political interference in AMPS.

This policy is intended to address this requirement, to define what constitutes political interference in relation to AMPS and Automated Speed Enforcement (ASE), and to ensure that the responsibilities of individuals involved in AMPS and ASE are conducted in accordance with the principles of fundamental justice, which include decision making and procedural independence, fairness, impartiality and integrity, without any political interference.

The Town of Whitchurch-Stouffville is committed to ensuring that the AMPS and ASE programs are administered in a fair and independent manner and prevent political interference.

The Town of Whitchurch-Stouffville recognizes that Stouffville Employees, Members of Adjudicative Boards, and Members of Council are expected to conduct themselves with personal integrity, honesty, and diligence in the performance of their duties. This policy builds upon this recognition by addressing political interference in the administration of the Town's AMPS and ASE programs for By-law and related offences.
